

INTERSHIFT RELOCATIONS

Move with a smile 🙌😊

INTERSHIFT RELOCATIONS

Intershift Relocations started with an objective to carry out relocation services on selective sectors to facilitate with value added services to meet expectations of customer. Intershift today can boast of offering services to most of the cities within India with the help of its own offices as well as the Group Partner Program which also makes it one of the fastest growing relocation companies in the region. Intershift today is one of the safest choices for a customer to move his goods.

Employees are the back-bone of any organization and Intershift Relocations is a team of dedicated professionals committed to provide hassle free packing and relocation services across the country.

The promoters and the management team have extensive knowledge of the target customer segments and the key decision makers in the customer organizations. Intershift Relocations has strategic tie ups and expertise in relocation services and handling end to end project cargo movement. With Intershift Relocations expert professional team, customers can look forward towards value for money services along with the best practices offering.

To be a leader in providing solution based relocation services with a continual improvement in a most optimal way to the best of the satisfaction to the customers, vendors and stakeholders. A company, its goal and standards set so high that only the excellent can aspire. In the quest of professionalism and perfection characterized by a relentless pursuit for innovation and focus towards nurturing lasting customer relationships.

Our mission is to provide our clients comprehensive relocation services of exceptional value. We strive to give our clients a relocation experience that is as trouble-free and convenient as possible, a single point contact for a complete spectrum of resources. We are committed towards achieving quality through teamwork, integrity, cooperation and continuous improvement.
